Patient / Visitor Parking Garage

to

(U of A) College of Nursing Building

Welcome to University Medical Center! You have permission to park in the Patient/Visitor parking garage for attendance to the AzONE meeting.

Exit the parking garage at the SW corner on Level 3, which is street level. As you walk out of the garage, turn to your left. The College of Nursing Building will then be on your right. Follow the side walk till you see the large "1305" sign on the wall. Turn right and go behind the wall and up the slight ramp to the door. You will be entering the "back door".

When you enter the first door, proceed through the second door. The elevator will be directly to your left to take you up to the 4th floor.

Just a Reminder: As you exit the parking garage in your car, make sure you tell the attendant in the booth that you attended the AzONE meeting so you are not charged for parking.

We are so glad you can join us! Please drive safely.
